

The ALABAMA BASKETBALL ACADEMY'S POST PLAYER UNIVERSITY

Post Player U is intensive instruction in the fundamentals on how to be an effective post player. All instruction will be done by Coach Scott Stapler and Coach Ronnie Stapler and the ABA Coaching Staff. The camp will consist of instruction on developing hands and feet, proper posting stance, getting open, sealing and holding a seal, the 4 ways a post player can be defended, playing in transition, high post play, post play vs. zone defenses, scoring moves inside, and offensive concepts.

Since 2008, the Alabama Basketball Academy has specialized in basketball skill development. We had the opportunity to work with players from all over the USA at all levels from youth to the NBA. Since 2013, we've had Post Player U Camps & coaching clinics in Spain, Iceland, Estonia, and China. WE have a passion for teaching and helping players of all ages improve.

Coach Scott Stapler is the Director of the Alabama Basketball Academy. He spent 13 seasons as a college basketball coach – 11 at the NCAA Division I level. He helped develop All-Conference players every season as a coach. During his career coaching and with ABA, he has been a player development clinician and consultant across the USA, nine European countries, and China.

Coach Ronnie Stapler is a 14- time Coach of the Year and has been the featured clinician for State High School associations, National Coaching Clinics, and European Big Man Camps. He has coached 2 Alabama Mr. Basketball winners – both were post players and developed over 70 college players. His teams have won over 700 games and 3 State Championships.
